Dear Community Business Partner,

At Whitko Community Schools, we believe that strong schools and strong communities go hand in hand. Our local businesses have always played an important role in supporting our students, and we are excited to offer a new opportunity to partner with us!

For the 2026–2027 basketball season, Whitko will livestream girls' and boys' basketball games on the official Whitko YouTube channel. This exciting opportunity allows parents, grandparents, alumni, and Wildcat fans near and far to cheer on our student-athletes, when they cannot attend games in person.

To make this possible, we are seeking local businesses to become broadcast sponsors.

Your sponsorship is more than advertising. It is an investment in our students and our community.

- Promote your business: Gain exposure to local families, alumni, and community members watching Whitko basketball.
- Support our student-athletes: Help us provide greater visibility and recognition for our basketball programs.
- Create real-world learning opportunities: Whitko communications students have the opportunity to work alongside video production professionals, gaining valuable hands-on experience in broadcasting and media production.
- Invest in Whitko's future: Sponsorship revenue helps cover broadcasting expenses and supports extracurricular opportunities for our students.

There is a sponsorship level for businesses of any size. Your sponsorship increases your visibility to our many, many Wildcat fans on a global platform.

Thank you for considering a sponsorship and for your continued support of Whitko Community Schools. Together, we can make the 2026–2027 basketball season one to remember!

Go Wildcats!
